THE 1937

PEMBERETTE

PUBLISHED BY
THE STUDENTS OF
PEMBERVILLE
HIGH SCHOOL
PEMBERVILLE, OHIO

Memory is a record of events. It is our wish to make the Pemberette a written record of the activities of our school, and, as memory brings back many pleasant thoughts, so may this book be opened in future years to recall the happy events which have occurred throughout our school career. Though the years may dim the luster of youth, may the pages of this volume ever brighten the pleasant memories of this delightful year and ever keep fresh the cherished ideals of P. H. S. If this be accomplished, we will feel that our efforts have not been in vain.

SCHOOL BOARD

The men who encouraged the building of our new school house are shown in the above picture. These men, with the advice and suggestions from the citizens, directed this difficult task. They took advantage of the opportunity given to them by the United States Government to provide a better school building for the students of Pemberville.

Although the members of the school board do not receive any salary for their services, they are willing to do everything in their power to make our school one of the best in the state. Realizing this, we, the student body, wish to thank them for providing us with our beautiful new school building.

SENIOR CLASS HISTORY

We were a very proud and frightened group when we entered Pemberville High School for the first time on a September morning in the fall of 1933. Our first days here were spent in trying to find our class rooms, and becoming acquainted with the dignified seniors, jolly juniors, and gentle sophomores. Of course, we all realized that we were green and the laughing stock of the school, but this seemed to be the least of all our worries. Entering Pemberville High School meant to us that we were going to gain success in a greater measure than the other classes had done before us.

Sponsored by Miss Morehart, our freshman year was begun with twenty members. During the year we were sorry to have Charles Vestal leave us. However, we heartily welcomed Arthur Grover, a new student. After the first semester we elected class officers. They were as follows: president, Clarence Hoodlebrink; vice-president, Mildred Ohm; secretary-treasurer, Eloise Dyer. The activities of this year consisted of a party at the home of Florence Ernsthausen and a wiener roast.

Through the co-operation of Mr. Libbe who cheerfully gave us permission to have two dances in his barn we were able to put several dollars in our class treasury.

Our sophomore year began with twenty members under the guidance of Miss Leidy. It was the smallest class in high school, but we were proud of it. A class meeting for the purpose of electing officers was held, the results were: president, Clarence Hoodlebrink; vice-president, Clayton Ernsthausen; secretary, Marjorie Titkemeier; treasurer, Eloise Dyer. As the year advanced Clayton Ernsthausen decided to leave school. Although we were small in numbers, our class possessed talent. Clarence Hoodlebrink had the lead in the public speaking class play, "Clovertime", and Marjorie Titkemeier played in the leading part in the high school operetta, "Bits of Blarney." Besides these, we had five members in the band and orchestra.

In the fall of 1933 we again returned. Our number had increased to twenty-five, which was due to students coming from North Troy. That year we had Miss Lugibill for a class sponsor. Bettie Jay, of Toledo, joined us later in the year. The class officers of this year were: president, Dale Ernsthausen; vice-president, Eloise Dyer; secretary, Marjorie Titkemeier; treasurer, Emmitt Hagemeyer.

The first of this year's events was the junior play entitled "Up the Hill to Paradise." Marjorie Titkemeier and Howard Michel played the leading roles. The second event was the purchasing of our class rings and we were very proud to display them to the other classes. The crowning feature of that year was the Junior-Senior banquet, which was held in the gymnasium. This banquet was a great success and the class felt very proud.

The year to which we had looked forward with such eagerness has come and we are seniors, twenty-eight in number. This year we are sponsored by Miss Snyder and Miss Hampton.

The first event of this year was the photographing of our beautiful and handsome faces at the Cubberley Studio in Toledo. Soon after this we enjoyed a wiener roast which was held at Side-Cut Park, at Maumee.

Members of our class who starred on the basketball teams are Charles Jacobs, Oran McCoy, Dale Sharp, Ervin Gottschalk, and Emmitt Hagemeyer on the boys' team; and Marjorie Titkemeier, Eloise Dyer, Carolyn Pertner, Violet Snyder, and Evelyn Snyder on the girls' team.

Marjorie Titkemeier and Eloise Dyer, Dale Ernsthausen, Dale Sharp, Dora Mackling and Carolyn Pertner had leading roles in the operetta, and other seniors took part in the choruses.

The time has now come when we are looking forward to the graduation activities, such as the Junior-Senior reception, our class play, our baccalaureate services, and last, but not least, Commencement.

We certainly appreciate the co-operation of parents, teachers, and friends, for by this co-operation we are able to take a trip when school is over. Our trip will include Washington, D. C., New York City, and Niagara Falls.

We also feel highly honored to be the first class to graduate from the new school building. We have enjoyed our work decidedly more in the new building. Being seniors to us means more than graduation. It means the beginning of a new life. Whether we go on to college to receive a higher education or begin our life work now, we will try to do our best to keep up the fame of Pemberville High School.

POEM

"Adieu, dear classmates", we will say
When comes the dawn of parting day,
"Goodbye, old friends"—for friends we'll be
From now until eternity.

The friendships we established here
Will always be to us so dear,
And often in the dim tomorrow
They'll be a ray of light in sorrow.

In halls of dear old P. H. S.
We found the field we liked the best
And with this knowledge we'll face life
Aware that victory's won through life.

Now classmates, as we onward go,
Let us to this whole wide world show
In life we'll always stand the test
Because we came from P. H. S.

—Oran McCoy.

JUNIOR CLASS HISTORY

September, 1934! Thirty-six shy freshman timidly climbed the steps to the big high school assembly room. Who doesn't remember getting lost that first day? With Waldo Egbert as president of our class, Robert Poggemeyer, vice-president, and Gilbert Ernsthansen as secretary-treasurer, and Miss Roberts as sponsor, we became a full-fledged class.

We entered regular class activities. Seven dollars from a magazine contest were deposited in our treasury. The class party was held at Harold Restemeyer's home, and a wiener roast at Willard Martin's grove.

In our sophomore year, Frances Wiegman served us as president, Waldo Egbert as vice-president, and Gertrude Richter as secretary-treasurer. This year we really shone! Waldo Egbert won the state essay contest which entitled him to a trip to Washington, D. C. In the athletic field we took first honors, too. Our girls won the interclass tournament. Our treasury was replenished by a fine return from the magazine campaign.

We participated in the first freshman-sophomore play contest. Our presentation was "Kidnapping Betty." Do you remember how Mr. Ridenour laughed at our party at Dolores Schroeder's home?

Another year! 1936. Welcome, North Troy! We called a class meeting early and chose Waldo Egbert as president, Frances Wiegman as vice-president, Gertrude Richter as secretary, and Dorothy Czirr as treasurer. First came our class play "Oh! Susan." Then we served a banquet for the Pemberville firemen. Did George Sherman wash dishes?

We not only served the refreshments for the interclass tournament this year, but also had the girls' winning team. On the debate team which went to Heidelberg were Lester Jenkins and Waldo Egbert.

The closing events of the year were the skating party at Forest Park and a picture show in our auditorium. The junior-senior reception on May 14 concluded our activities.

We were glad to have Miss Roberts as our class sponsor, and we appreciate the things she has done for us.

SOPHOMORE CLASS HISTORY

With enthusiasm we began our freshman year in 1935 with 35 members. During the first week of school we elected the following class officers: president, Ralph Coppeler; vice-president, Richard Wagner; secretary-treasurer, Lois Rahe.

During the year several of the members took part in various athletic activities. Our class was unsuccessful in the interclass tournament, but two of our classmen, Bonnie Emch and Glenn Sharp, won the ping pong tournament.

Our school participated in the State Scholarship Contest and we are proud to say that one of our class, Bonnie Jean Emch, won third place in the state in Algebra.

Our sophomore year began with 34 members. During the year Lucille Heilman and Desmond Bauman left us. Our officers for this year were as follows: president, Richard Wagner; vice-president, Robert Walston; secretary-treasurer, Georgia Jay; student councilman, Ralph Coppeler.

Our boys won the interclass tournament this year, but the girls were defeated by the champions in the first game. Several of our class are members of the basketball and baseball teams. Some of our class had leading roles in the operetta "Paper Prayers." We won the freshman-sophomore play contest with our presentation of "Light." The social events of one year ended when we aided the juniors, by being table waiters, at their banquet for the seniors.

We wish to thank Miss Vandersall for her guidance during the first two years of high school.

FRESHMAN CLASS HISTORY

On September 8, 1936, thirty-three students entered as freshman in Pemberville High School. During the first week of school the following officers were elected to lead and direct us through our freshman year: Doris Wice, president; Wilbert Dierksheide, vice-president; Helen Heckman, secretary; and Theodore Titgemeyer, treasurer.

A wiener roast, which was held in the fall along the Portage river, was enjoyed by all.

The freshman participated in the interclass tournament and other school activities as the operetta and the sale of magazine subscriptions.

We have worked hard to keep up the spirit of co-operation in all our undertakings. We feel greatly indebted to our class sponsor, Mr. Huebner, for his leadership.

GRADES

We, the seventh and eighth grade, are very grateful to the school board and Mr. Downing for including us in the high school. Under the supervision of Miss Snyder, Miss Mueller, Mr. Huebner, and Miss Vandersall, we have accomplished many things.

Boys' and girls' glee clubs have been formed. We have sung on various school programs. We entered the County Music Festival at Bowling Green.

In addition to our regular subjects, the boys are taught shop, while the girls are given the advantage of training in the foods laboratory. In Physical Education the boys played basketball with several other schools and also played in the interclass tournament. A boys' baseball team has been organized.

We took our State Eighth Grade test on April 23. It included Arithmetic, Science, and American History.

We also enjoyed a Halloween party given in the old home economics room.

GRADES

The lower six grades have been taking an active part in school activities this year. The operetta "The Forest Court" was presented to a large audience. The proceeds were used to buy supplementary books for each grade.

The grades have provided the program for several P.T.A. meetings, for chapel, and for the dedication of the new building.

Special study has included Junior Red Cross work and the study of foreign boys and girls. The study of art has been added in the fourth, fifth and sixth grades.

On February 26, the fourth, fifth, and sixth moved into their new quarters which had formerly been the high school assembly room.

GIRLS' GLEE CLUB

Fifty-seven girls interested in music organized a girls' glee club. This glee club met every Tuesday and Thursday from 3:15 until 4:00. Under Miss Mueller's leadership we studied different types of music suitable for various occasions.

During the course of the year we made several public appearances. We sang for the dedication of our new school building. Later in the year we presented two chapel programs. Many of the members of our group were chosen for the characters in the high school operetta "Paper Prayers". On April 30 we took part in the annual Wood County Music Festival held at Bowling Green.

We girls in the club wish to express our appreciation for the privilege of developing our musical ability through the medium of a glee club. We feel that our study of music has been very beneficial to us.

BOYS' GLEE CLUB

Every Monday and Wednesday from 3:15 to 4:00, strains of deep, harmonious music issued forth from room number two. The boys' glee club, twenty strong, was rehearsing under Miss Mueller's direction. The members found real enjoyment in singing four-part arrangements of several types of music, including folk songs and compositions of the masters.

The club appeared on chapel programs and at the dedication of the new building. Four members, Richard Wagner, Warren Herman, Dale Sharp, and Victor Sander, sang the leading male roles in the operetta, "Paper Prayers." The coolie chorus, also composed of glee club members, added much to the effectiveness of the production.

There is a joy and a thrill which can be experienced only by those who have the opportunity to sing in large choruses. For that reason, many of the glee club are attending the Wood County Spring Music Festival at Bowling Green on Friday, April 30. Everyone who participates will necessarily remember the uplifting sensations, the joy of association with students of neighboring schools and will realize that music is a common language, expressing the deepest and truest emotions of man.

Our hope is that more boys will desire to take the advantages offered them in singing.

PEMBERVILLE SCHOOL BAND

Under the leadership of Mr. Duckwall, the band has passed another profitable year. Many of our band members have graduated, and their places have been filled by younger players. Practices are held every Tuesday night and the last period on Friday afternoons.

We have made many appearances this past year among which are the Fall Festival and the basketball tournament at Bowling Green. We are planning to attend the Peony Festival which is held each spring at Van Wert, Ohio.

The officers of the band are as follows: president, Robert Krift; vice-president, Victor Sander; secretary-treasurer, Erna Springer; cape-custodian, Virginia Hiser.

The band had a pot-luck dinner and a roller-skating party in February. Alice Hummel probably had the most unique experience. Remember?

ORCHESTRA

The orchestra has made rapid progress this year under the leadership of Mr. Duckwall. During the year a few new members joined our organization and some discontinued the work. Now we have eighteen members enrolled.

The orchestra has spent much time and hard practice and therefore deserves credit for the progress which has been made. We hope that the organization will become larger next year.

Fine co-operation was shown throughout the year between the members and the director. We made our appearance at chapel programs, the junior play, and the commencement. We are all looking forward to the pins which we hope to receive for the year's work.

PEMBERVILLE RHYTHM BAND

The object of the rhythm band, which this year is composed of all fifty-one first and second grade pupils, is to develop the players' sense of rhythm and give them the experience of group performance of good music, thus laying the foundation for later music study.

Each player has been taught to follow his own score and read his own music. This increases his power of concentration as well as acquainting him with the various rhythm, note values and other characters of musical notation.

It was necessary to buy several new instruments this year because of the increased membership. The instrumentation now includes bells, triangles, castanets, tambourines, woodblocks, cymbals, drums, rhythm sticks and xylophone. New music stands, capes and hats were also added to the equipment.

The band appeared on the afternoon of open house of the new school building and on the evening of the grade operetta. Its repertoire includes such numbers as Anvil Chorus from Il Trovatore, Brahms Hungarian Dance, two Tschaikowski marches, and La Cinquanteive.

Joan Rife is director and Phyllis Grant, xylophonist.

GRADE OPERETTA

The grade operetta, entitled "The Forest Court," was the first musical production to be given in the new building. Nearly one hundred children took part and every one did his part very conscientiously, making the production a very satisfactory one. The characters were as follows:

Tommy, a carelesss boy	- - - - -	Ruel Speck
Judge Owl	- - - - -	Glen Kohring

HOME ECONOMICS CLUB

The organization of a Home Economics Club was a new feature this year. All high school girls enrolled in Home Economics were eligible.

Some of the objectives of the club were: to foster high ideals of and appreciation for home life, to develop interest in the Home Economics Department, to stimulate interest in hobbies and in the wise use of leisure.

Instructive material was taken up in the meetings held monthly, and much enthusiasm and interest was shown by the girls. Knitting was the special project of the year and a challenging playlet, "Martha Washington Returns", was dramatized. The club officers were: president, Betty Jay; vice-president, Carolyn Pertner; treasurer, Helen Heckman; secretary, Naomi Abke; pianist, Marcena Wegman; reporter, Avis Brentlinger.

COMMERCIAL CLUB

This year the first commercial club of Pemberville High School was organized for the purpose of promoting activities of the commercial department, both social and business. Membership in the club was open to all seniors taking Shorthand and Typing II. The meetings, which were held in the Commercial room on the second Thursday of each month, consisted of short plays, sketches, business poems and reports, and a social period.

At the first meeting the following officers were elected: president, Carolyn Libbe; secretary-treasurer, Helen Rothenbuhler; program chairman, Arlene Linke.

SCIENCE CLUB

At the first meeting of the science club the majority of the boys in high school were present. The following officers were elected: president, Gerald Brodersen; vice president, Lester Jenkins; secretary, Emmitt Hagemeyer.

The chief interest of our club is to further the interest in science. With all the new equipment of our school great things can be and are accomplished.

Everyone has benefitted from the science club. The radio speaking contest was by Robert Kemner. Later in the year he took part in the oratorical contest. Such instances as this show the advantages of a science club.

LE CERCLE FRANCAIS

At this rendezvous we find seventeen French students sitting in a circle. Miss Snyder is listening intently to the president, Emmitt Hagemeyer, conducting the meeting. After the secretary, Ralph Coppeler, has finished reading the minutes, low whispers and giggles are audible because Arvella Martin finds it most difficult to forget what happened when she was "branded" at the initiation meeting last fall.

Eloise Dyer, vice-president, feels quite relieved that the president is at the meeting. "Tres bien, merci," Eloise answers our fluent conversationalist, Virginia Hiser.

Marjorie Titkemeier and Erna Springer, who are the supervisors of the entertainment, always seem to furnish fun for all.

In a remote corner are sitting two very learned French students, Dorothy Czirr and Frances Wegman. They are attempting to settle the question of which one got the highest grade in the last test.

Tom and Donald Alexander seem engrossed in each other—they're counting backwards.

Oran McCoy, the well-known debater, finds it most difficult to agree with Lois Hagg. Evidently they're arguing over who had the most fun at the Christmas party.

Richard Wagner finds it almost impossible to listen to the jibbering of Violet Snyder, the treasurer, and Evelyn Snyder, a very fluent French speaker.

SPEECH IS THE MIRROR OF THE SOUL

Fourteen students listened intently to the fundamentals of debating reviewed by Miss Snyder. A club was formed, and presto! students became silver-tongued Ciceros, expounding a social and economic problem which has confronted our country for years—that all electric utilities should be governmentally owned and operated. The debate team consisted of Oran McCoy and Lester Jenkins on the negative side, and Waldo Egbert and Tom Alexander on the affirmative side. On April 16 these teams represented Pemberville at Heidelberg College. They won two debates.

At this same Heidelberg forensic tournament Violet Snyder and Robert Kemner delivered orations.

TOURNAMENT

Remember how badly the junior girls defeated the parochial girls? The second game of the tournament was played between the Sophomore boys and Parochial boys. For some time the Sophomore boys were worried although they won by a score of 53 to 10. The third game was played between the senior girls and freshman girls. This was a hard fought game, but the little "Freshies" won. The next game was between the seventh and eighth grade boys and senior boys. Howard Michel, who was wearing a cow bell, led the senior boys in noise, but Ervin Gottschalk led in scoring. Little Pee Wee McCoy of the eighth grade couldn't get going because he had a string tied to him, thus holding him down. The last game of the evening was played between the sophomore and junior girls. The juniors won although the sophomore girls put up a splendid fight. This game ended the first session of the interclass tournament.

The second session of the interclass tournament started right on the dot. The first game of this session was between the junior boys and the sophomore boys. The sophomore boys won with the greatest of ease. The second game was between the freshmen girls and the seventh and eighth girls. The freshmen girls won this game with little difficulty. The third game was a scrap between the freshmen boys and the senior boys. The freshmen put up a hard fight to the end, but were beaten by long-experienced seniors.

The final game for the girls, was between the junior girls and freshman girls. Even if the freshman were little they put up the hardest fought game of the tournament. The game ended in the juniors' favor, even if they did have only five girls on the floor.

The final game of the tournament was between sophomore boys and the senior boys. Each team played hard to win. This game was one of science and endurance. The sophomores won by a close score—19 to 15.

The cup was presented to the junior girls by the freshman girls. Carolyn Pertner and Esmeralda Gottschalk presenting the cup, and Evelyn Snyder and Dorothy Morris accepting the cup. The cup was presented to the sophomore boys by the senior boys. Oran McCoy and Ervin Gottschalk presenting, and Ralph Coppeler and Victor Sander accepting the cup. A junior boy, Gilbert Ernsthausen, and a sophomore girl, Lois Rahe then carried the cup between them back to its resting place, the trophy case.

On February 19 we entered the Wood County Tournament and played Portage. We defeated them by a score of 53—21. On February 20 we played Haskins and won by a score of 35—42. The next week we played Webster and defeated them by a score of 19—31. Our next opponent was Walbridge. We were defeated by one point, the score being 31—32. Walbridge won the Wood County Championship. We then played Cygnat for the third place and received a basketball.

After this we participated in the district tournament. We played St. Paul from Norwalk and defeated them by a score of 36—28. Our team showed its ability by winning 5 out of 7 tournament games.

We wish to thank our coach, Mr. Huebner, for the time and effort he has put forth to make our team successful.

First row: Ralph Coppeler, Robert Krift, Charles Jacobs, Oran McCoy, Dale Sanders, Owen Ernsthausen, Howard Michel.
 Second row: Mr. Huebner, Victor Sander, Emmitt Hagemeyer, Richard Wagner, Donnan Martin, Gilbert Ernsthausen.

BASEBALL

The baseball team with Mr. Huebner as coach began the season with practically a new team, although most of the boys had played with the American Legion last summer. The schedule for the fall season was:

P. H. S.	Visitors	P. H. S.	Visitors
25 - - - - -	Portage 7	12 - - - - -	Portage 3
14 - - - - -	Liberty 7	4 - - - - -	Luckey 4

The tournament was held at Weston with Pemberville winning from Hoytville 6—4, from Grand Rapids 5—4, and from Liberty 4—2. The next game was to be with the winner of Weston-Walbridge game, but due to cold weather it was necessary for the tournament to be postponed until May.

The spring schedule was as follows:

P. H. S.	Visitors	P. H. S.	Visitors
3 - - - - -	Webster 1		Webster
0 - - - - -	DeVilibis 7		Lake
11 - - - - -	Risingsun 3		Scott

Second row: Gerald Brodersen, Oran McCoy, Richard Wagner, Melvin Michelsen, Dale Sharp, Robert Kemner, Victor Sander.

Third row: Mr. Huebner, Donald Martin, George Sherman, Emmitt Hagemeyer.

TRACK

The track team continued practices inside the new gymnasium until the weather was warm enough to go outside. Many of last year's championship team graduated, making it necessary for the team to be formed around a few veteran members. They are working hard, however, so that we hope to be able to make a good showing at the Wood County Tournament on May 7 and 8.

So far this season the team has met Wayne and Perrysburg.

First row: Eloise Dyer, Alice Hummel, Evelyn Snyder, Marjorie Titkemeier, Erna Springer, Mr. Ridenour.
Second row: Miss Vandersall, Dorothy Morris, Ruth Sander, Lois Rahe, Bonnie Emch, Miriam Hobart, Geraldine Martin, Eleanor Schwan.

GIRLS BASKETBALL

The girls started this basketball season under the direction of a new coach, Mr. Ridenour. They started out by winning the first two games but lost the next four. After this they got back their winning streak and won 9 out of the entire 15 games they played.

The Alumni game was the first to be played in the new building, and was this a game! The last part of the season seemed rather lucky for the girls: they won the last four games they played.

The scores and totals for the year are as follows:

P. H. S.	Visitors	P. H. S.	Visitors
20 - - - - -	Milton 8	20 - - - - -	Gibsonburg 19

The outstanding players on our team were the forwards, Evelyn Snyder, Carolyn Pertner, and Marjorie Titkemeier, who piled up the scores by seldom missing their shots. Violet Snyder was the star guard; she played in every game and filled her position well. The other guarding was divided among Eloise Dyer, Erna Springer, and Alice Hummel.

The girls who received letters this year were: Marjorie Titkemeier, Evelyn Snyder, Carolyn Pertner, Violet Snyder, Eloise Dyer, Erna Springer, and Alice Hummel. Our cheer leaders who received letters were Carolyn Vestal and Evelyn Spicer.

The girls of the basketball team wish to express their gratitude to Mr. Ridenour, their coach for his good work and patience during the basketball season.

First row: Marie Sieving, Carolyn Vestal, Carolyn Pertner, Evelyn Snyder, Naomi Abke, Velma Sander, Lois Rahe, Mr. Ridenour.
 Second row: Miss Vandersall, Dorothy Bahnsen, Violet Snyder, Bonnie Emch, Marjorie Bursiek, Eleanor Schwan, Geraldine Martin, Ruth Sander.

GIRLS INDOOR

The girls baseball team opened their first game of the season with Portage, here. Pemberville came out on top.

The next game was with Webster, there. Although the girls put up a good fight, they were defeated.

A return game was then played with Portage with our team the loser by one point. This game ended the season.

The girls baseball practice was held every Monday and Wednesday in gym class with Miss Vandersall serving as coach.

STUDENT COUNCIL

* The Student Council is an organization to secure and maintain a more democratic school. By this we mean that the student body has a chance to voice its opinion on school matters. Mr. Downing serves as council adviser. If a student brings up an important issue it is taken before his class. If the class is in favor of the issue they tell the councilman from that class. He, in turn, talks it over with other councilmen until it becomes a school issue. The Student Council then holds a meeting to decide whether the issue should be taken before the school board or whether they should settle it themselves. If it is decided that the issue be taken before the school board a member of the council is selected to bring up the issue and voice the opinion of the school to the school board.

The Council does not run or attempt to run the school, it merely voices the opinion of the student body. Each year the upper six classes select one student from each class to represent them in the Student Council. This year they are as follows: senior, Violet Snyder; junior, Lester Jenkins; sophomore, Ralph Coppeler; freshman, Mary Plowright; eighth, Beverly Rice; seventh, Lorna Wice. The officers for the year of 1936-1937 are as follows: president, Violet Snyder; secretary, Ralph Coppeler; treasurer, Lester Jenkins. This has been the first attempt of a Student Council since one attempted in 1917.

NORTH CENTRAL ASSOCIATION

Pemberville High School was granted a great honor this year in being elected to membership in the North Central Association of Colleges and Secondary Schools.

The aims of this organization are to bring about a better co-operation between colleges and secondary schools, to solve educational problems, and, to promote the physical, intellectual and moral well-being of students by requiring better equipment and higher standards of scholarship. The association tends to be conservative, and because of that, aims to accredit only those schools which possess organization, teaching force, standards of equipment, and equipment of such character as will unhesitatingly commend them to any educator, college or university in the North Central territory. Thus any student graduating from Pemberville High School will be granted admission to any college without further examination. Only schools ranking well in the efficiency of instruction, habits of study, and co-operation with the community are given the privilege of membership in this association.

We, of Pemberville High School, feel indebted to the community for giving us this new school building, with its modern equipment, which made it possible for us to be rated among the best schools in the country.
